

Before you begin, make sure you have previously completed the following steps:
Complete your profile.

Schedule your exam at least 24 hours in advance.

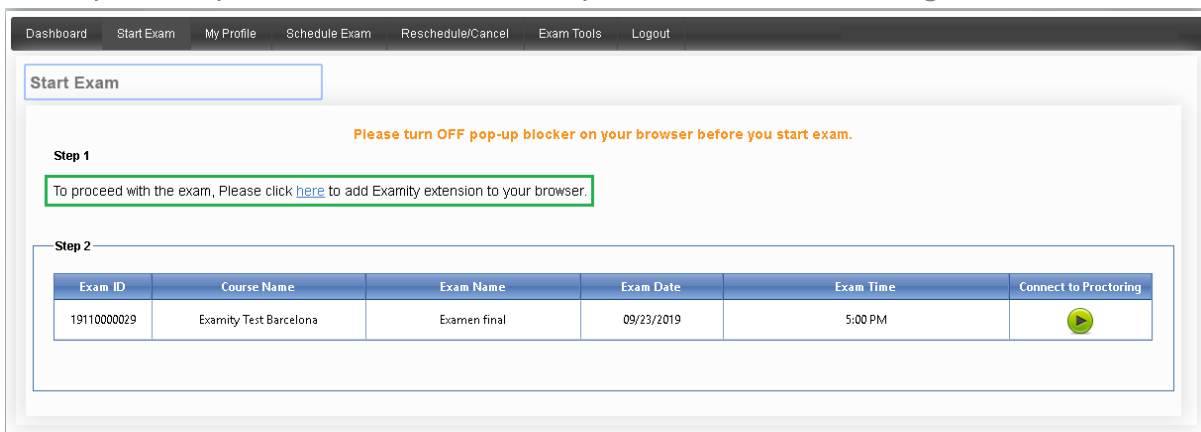

Verify that your computer meets the specified technical requirements.

MAKE SURE YOUR POP-UP BLOCKER IS DISABLED. Otherwise, you will not be able to connect with proctor support.

If you have completed these steps and are ready to take the exam, follow the instructions below. Access your Examiity dashboard by clicking on "Load Examiity in a new window". On your dashboard, select **START EXAM**.

Please Note: We encourage test-takers to arrive 15 minutes prior to the start of their exam. This will allow ample time to connect and troubleshoot any technical issues that may arise. Examiity will ask you to install an extension to your browser before starting.

A new window will appear, just click on **Add to Chrome**.

The Examity will walk you through the authentication process. You will be asked to:

1. Verify your identity

Take a clear picture of your face, in front of the camera, and save it.

Take picture

The image displays two sequential screenshots of a software interface for taking a face photo. At the top of each screenshot is a progress bar with five steps: 1. examiSNAP, 2. examiKNOW, 3. examiKEY, 4. User Agreement, and 5. Launch & Begin. Step 1 is highlighted in orange.

Top Screenshot: Shows the 'Live Camera' and 'Captured Image' panels. The 'Live Camera' panel has a 'Take picture' button highlighted with a green box. The 'Captured Image' panel has a 'Save' button.

Bottom Screenshot: Shows the same interface after a photo has been taken. The 'Live Camera' panel has a 'Take picture' button. The 'Captured Image' panel has a 'Save' button highlighted with a green box. Below the panels, a message reads: "Your picture has been saved successfully! Click 'Next' to proceed." The 'Next' button is highlighted with a green box.

Take a clear and sharp photograph of your **ID (drivers license, ID card, passport)**. The proctor will need to see both your name and photo clearly. After saving, press "Next".

- Step 1 : Click **"Allow"** to turn on your camera.
- Step 2 : Hold your ID up to the webcam and click on the **"Take ID picture"** button.
- Step 3 : Click on the **"Save"** option to use the picture or the **"Take ID picture"** button to retake.

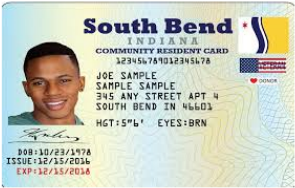

Note:

- i. Photo and name on the ID must be clear and readable.
- ii. It must be the same individual in each of the three photos.
- iii. If any of the rules are violated, it may result in failed authentication.

 Allowed attempts 4

Instructions

Ready to take your exam?

The **final exam** assesses all course content using a set of 10 questions chosen at random.

You will have **two attempts** to complete the exam with a time limit of 10 minutes each.

The system will automatically give you a grade after you have sent your answers. Should you decide to use both attempts, the system will record the highest grade achieved.

Remember that you can pass the course with an exam grade of **seven or more points**.

How to answer?

Answer the following types of questions-assignments individually:

- Multiple choice:** only one of the options is correct. The choices are shown with circles. You must select the correct choice by marking the preceding circle.
- Multiple answers:** more than one answer is correct. The choices are shown with squares.

Your Exam proctoring session is active. You may minimize this window and start your exam session.

After completing and submitting your exam, you must return to this window and select the 'End Session' button to close your proctoring session.

Select all the choices you consider correct, ticking the squares immediately preceding them. Partial scores shall be awarded if not all corresponding answers are correctly indicated. Matching: link two categories by selecting the concept in the first column and matching it with the corresponding category in the second column. True-False: indicate whether the statement can be considered true or false. Bear in mind that if a single element in the statement is false, the statement as a whole is to be considered false. Sending the Results: Once you have completed the exam for the Verified Certificate of Approval, your session will go through a process of analysis and validation and within one week you will receive confirmation of your certificate by email. Good luck!' At the bottom center, a blue button labeled 'Take the quiz' is highlighted with a green rectangular border.

When you have answered your last question, click on **Submit quiz**.

The screenshot shows a question card titled 'Question 10' with a value of '10 pts'. The question text is 'The bond between brands and fans is made through:'. Below the text are five radio button options: 'Sponsors, ultrafans and professors.', 'Media, intitutions and fans.', 'Experts, media and brands.', 'Coaches, trainers and sponsors.', and 'Visibility, data and community.'. At the bottom right of the question card, the text 'Saved at 15:44' is displayed next to a blue button labeled 'Submit quiz', which is highlighted with a green rectangular border.

Once you have submitted your quiz, open Examiy's Pop Up again and click **End session**.
